### RTX transfers the shares in the subsidiary in Brazil

Today RTX has entered an agreement concerning the transfer of RTX's 90% share of our Brazilian subsidiary. The shareholding is sold to the company Carvin Holding LLC, Delaware in the US.

The transfer is the result of a process during which RTX's Management has examined the possibilities of closing the 90% owned subsidiary in the best possible way. The company was part of the business unit that RTX closed and classified as discontinuing operations in the financial year 2009/10.

The transfer is expected to contribute with an amount of approx. DKK 0.6 million to be entered in the profit and loss account for the first quarter of 2013/14 under "discontinued operations".

The above transfer does not affect our previously announced expectations to the financial year 2012/13.

Yours faithfully  
RTX A/S

Flemming Hynkemejer  
President & CEO
