RTX Telecom A/S appoints new Vice President for the business unit RTX Technology

As per 1 September 2011 RTX Telecom has appointed Jens Christian Lindof to the position as Vice President for the business unit RTX Technology.

Jens Christian Lindof has among other a background as R&D Director and CTO at Texas Instruments Denmark A/S and has latest held the position as Engineering Manager at Anaren Microwave, Inc. Syracuse, New York. With his solid technological background and his broad international and managerial experience Jens Christian Lindof will contribute to the strengthening of the strategic and business focused development of RTX Telecom.

Jens Christian Lindof is 44 years old and educated as M.Sc.E.E. from Aalborg University.

Jens Christian Lindof replaces Jens Jungersen, who resigns as per 31 August 2011.

Yours sincerely,
RTX Telecom A/S

Jesper Mailind
President & CEO
