

Stock Exchange Announcement

To the Copenhagen Stock Exchange and the Press

Noerresundby, 10 March 2005
Stock exchange announcement, no. 5/2005
Number of pages: 1

RTX Telecom has concluded an important development contract on the development of a wireless telephone system

Summary: RTX Telecom has concluded an agreement with a major international group on the development of a wireless telephone system for small and medium-sized companies. The development contract runs into more than DKK 10 million.

RTX Telecom has entered into an agreement with a major international group on the development of a wireless telephone system for small and medium-sized companies.

The system will be launched via the customer's existing distribution network in the USA.

For reason of confidentiality we do not disclose the name of the customer.

The development agreement, which runs into more than DKK 10 million, does not affect the general expectations for the 2004/05 financial year.

Best regards
RTX Telecom A/S

Jørgen Elbaek
CEO
