## **RTX A/S initiates a new share buy-back programme**

The Supervisory Board of RTX A/S (RTX) has decided to exercise the authority to buy back shares granted by the Annual General Meeting on 26 January 2016. The authority is valid until RTX's Annual General Meeting in January 2017 and covers a maximum value of up to DKK 35 million, of which DKK 30 million have been exercised in the period from 27 January 2016 to 24 November 2016. RTX expects to use the full authorisation given to repurchase shares for the maximum permitted value of DKK 35 million in the period until the next Annual General Meeting in January 2017.

As of 30 November 2016, RTX holds 616,799 treasury shares of a nominal value of DKK 5, equal to 6.54% of outstanding shares.

The share buy-back programme runs from 30 November 2016 to 19 January 2017. In this period RTX will acquire shares with a value of up to DKK 5.0 million. The share buy-back programme is initiated and structured in compliance with the EU Commission Regulation No. 596/2014 of 16 April 2014 on market abuse (Market Abuse Regulation), which ensures that RTX is protected against violation of insider legislation in relation to the share buy-back programme.

### **Conditions for the share buy-back programme**

- The purpose of the share buy-back programme is to address the company's capital structure and to hedge sharebased payments.
- RTX has entered into a contract with ABG Sundal Collier, in which ABG Sundal Collier acts as financial advisor and as Lead Manager of the programme. ABG Sundal Collier handles all purchase transactions independently and without influence from RTX.
- The maximum amount that RTX may pay for shares purchased under the share buy-back programme is DKK 5 million. The authorisation of the Annual General Meeting gives RTX authority to own up to 10% of the treasury shares.
